we need you.

In order to continue the work of the OHS Booster Club in the future, we need parent volunteers. Any time you can donate would be greatly appreciated! You do not need to commit to working long hours, consider just helping at a function or chairing a committee. There would also be no conflict if you are already involved with another school organization, you can still help with the Booster Club.

Please consider helping out with some of our annual events.

If you are willing to contribute any of your time, energy or ideas towards helping us continue the important work of the OHS Booster Club please mail or send the membership form to OHS.

What is the Booster Club?

We would like to introduce you to the Oxford High School Booster Club. We encourage , support and promote good citizenship amongst students and parents. We sponsor events and awareness programs to benefit both the students and the community, and do fund-raisers to provide assistance to school needs and functions for students. The OHSBC is similar to the PTO you have been working with during your child's K-8 school experience.

We have done most of our work in the background and would like to share with you just some of our accomplishments, in the hope that you would consider contributing and assisting us in continuing our important work for all of the students and our community.

On the trail of SUCCESS!

Projects funded and provided by OHSBC
